Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

**DIVISIONAL APPLICATION FILED UNDER 37 CFR 1.53(b) AND
PRELIMINARY AMENDMENT**

Dear Sir:

Please enter the following preliminary amendment and remarks in a new divisional application claiming priority from patent application serial number 10/461,751 filed June 13, 2003.

In the Specification

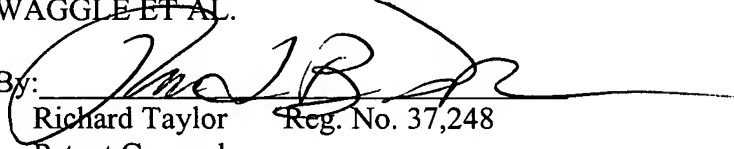

Please add the following sentence after the title and before the Field of the Invention: --This application is a divisional of pending patent application Ser. No. 10/461,751 which is a divisional application of Ser. No. 09/826,346 filed April 4, 2001, now U.S. Patent No. 6,579,534, which was a divisional application of patent application Ser. No. 09/298,528 filed April 23, 1999, now U.S. Patent No. 6,544,566.--

Remarks

Claims 1-3 are pending in this application. Please review the claims in light of the attached information disclosure statement. The inventors of the claims of the present divisional application are the same as the named inventors in the priority application 10/461,751. Applicants hereby request allowance of the claims.

Respectfully submitted,
WAGGLE ET AL.
